

## Good Neighbor Fund

More and more of our neighbors are facing higher than ever utility bills due to the hot and dry weather and increasing fuel costs which continue to drive rates higher. You can help!

The Good Neighbor Fund is a special fund designed to help support those members of our community that have financial challenges when it comes to paying their utility bills. Boerne Utilities is providing all customers with the chance to “round up” or add a few extra dollars to their utility bill payment to support the Good Neighbor Fund.

Contributions that are made to the Good Neighbor Fund are sent directly to Hill Country Family Services (HCFS). HCFS then provides the funds to pre-qualified clients that need a little extra help paying their utility bills. Clients requesting help are required to complete an application to demonstrate their level of need.

The easiest way to make your contribution is to set up a recurring amount that will automatically be included on your monthly statement. You may cancel at any time. And the best part—your contribution may be tax deductible.

Simply complete the form below and return with your next payment, in person, by mail or leave in the drop box at City Hall. If you make your monthly payment by automatic draft through your bank account or by credit card draft, just mail or fax this form to us.

**Contact the Utilities Billing Office if you have questions or need more information  
830-249-9511**

### Billing Contract for Good Neighbor Fund

Date: \_\_\_\_\_

Name: \_\_\_\_\_

Service Location:  
\_\_\_\_\_
