Engraved Message to read:

Planting a tree in a city park is a wonderful way to honor a loved one and also provides a gift to the whole community. Trees are planted in public parks so everyone can enjoy the shade, beauty and enjoyment a living tree provides.

A Memorial tree can be planted for many occasions: in memory of someone who has passed away; in honor of a dedicated service member; to celebrate a birthday, graduation, wedding, retirement, or other occasion. Many offices give trees instead of flowers for funerals or as memorials. Planting a memorial tree is a remembrance of the past and at the same time a renewing of life. It's a gift that can last through several lifetimes; a gift that keeps on giving.
