

# Residential curbside recycling just got a whole lot easier!

Waste Management solid waste crews will take your recycling from the following containers:

- ◆ Standard issue recycling bins
- ◆ A marked "recycling cart" purchased by *YOU* from a local retailer—Home Depot, Lowes, or other online providers; various sizes available
- ◆ Your existing WM garbage cart with a yellow lid—changed out by Waste Management crews.
- ◆ Rent a 96 gallon recycling cart from Waste Management for \$3.10 plus tax per month added to your utility bill

**RECYCLE!**  
A little effort  
a **BIG**  
difference.

*See details on the back side of this flier along with the list of acceptable recycling items.*

**Do you want to recycle more of your waste? If your standard issue WM recycling bin is just not enough, you can recycle more items using these options:**

**OPTION 1**

Purchase OR use your own recycling cart/container from a local retailer or online; be sure it has the recycling triangle symbol on it.

Use existing 96 gallon waste-wheeler/cart for garbage.

***COST: no additional fee; no form needed***

**OPTION 2**

Swap out the lid on your existing WM waste wheeler/ cart with a “yellow” lid & use it for recyclables

Use your own other container for garbage.

***COST: no additional fee; SUBMIT THIS FORM so that a Waste Management crew member can swap your current lid.***

**OPTION 3**

Rent an extra 96 gallon WM wheeler/cart with a yellow lid to use for your added recyclables.

Use existing 96 gallon waste-wheeler/cart for garbage.

***COST: an additional fee of \$3.10 plus tax per month will be added to your utility bill; SUBMIT THIS FORM***
